**NOTIFICATION OF CHANGE IN SMALL ENTITY STATUS**

Sir:

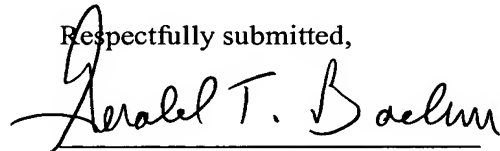

Notice is hereby given that the status of Applicants has now changed from "small entity" to "large entity" due to the Applicants' obligation to assign the invention to a company which no longer qualifies as a small business concern. At the time the application was filed, Applicants correctly qualified as a "small entity". However, due to the recent acquisition of the Assignee by another entity shortly before of this Office Action mailed January 26, 2005, the Applicants should now be accorded "large entity" status, as the Assignee can no longer be considered a small business concern. Accordingly, it is respectfully requested that the Patent and Trademark Office correct its records to reflect this change.
